

## **Linda MacKay PhD, Australia**

### **Biography:**

Linda MacKay PhD is a highly regarded family therapist and teacher in the Australian family therapy field. As well as being the Associate Editor of the Australian and New Zealand Journal of Family Therapy, Linda is on the Faculty of the University of Notre Dame, Australia, and is also Co-Director of The Family Systems Institute based in Sydney. Linda provides supervision and coaching to senior practitioners and teams across the disciplines of psychiatry, psychology, social work, child and adolescent mental health, interdisciplinary collaborative law practice and non-clinical organisational and workplace environments.
