**Family and Differentiation of
Self: An Evolutionary
Perspective**

The central concept in Bowen theory of differentiation of self will be presented from an evolutionary context.

This will be principally be discussed in terms of the co-evolution of the family and the brain which underlies the development of the intellectual system defined in the theory.

3rd International Conference on Bowen Family Systems Theory

Sörbyn, Swedish Lapland, Sweden June 15-17 2020.
